what is the relationship between performance and recording what is the impact of recording on the lives of musicians comparison of the lives of musicians and audiences in the years before recordings with those of today survey of the changing attitudes toward freedom of expression the globalization of performing styles and the rise of the period instrument movement

in the early 1980s emphasis had shifted from the treatment of alcohol problems to their prevention yet no clear integrated policy yet existed about how alcohol problems could best be prevented many different strategies were put forward as solutions but some were in competition with each other while some were actually incompatible originally published in 1983 what this book does is to draw together a cross section of these different and competing voices so as to give a sense of the quality and direction of the great alcohol debate at the time after setting into context some of the basic questions to do with the prevention of alcohol problems the authors knit together and juxtapose short contributions from a very wide variety of experts from around the world clinicians educators sociologists advertisers marketing men economists philosophers geneticists and international civil servants present different points of view on health education the media advertising trade the law the environment and on the ethical basis of the debate itself the authors bravely attempt to pull some general sense out of this profusion of what the way ahead is likely to be it should be noted that this reissue very much reflects the context of the times in which it was written and that the contributors were participating in a debate where differences of opinion were actively encouraged

value investing is not just a system for success in the market it is also an intellectual toolkit for achieving a deeper understanding of the world in the joys of compounding the value investor gautam baid builds a holistic approach to value investing and philosophy from his wide ranging reading combining practical approaches self cultivation and business wisdom distilling investment and life lessons into a comprehensive guide baid integrates the strategies and wisdom of preeminent figures whose teachings have stood the test of time drawing on the work of investing greats like warren buffett charlie munger and ben graham as well as philosophers and scholars he artfully interweaves the lessons learned from his many teachers baid demonstrates their practical applications in the areas of business investing and decision making and also shows that these ideas can be applied to one's own life with just as much reward a celebration of the value investing discipline this book also recounts baid's personal experiences testifying to his belief that the best investment you can make is an investment in yourself the joys of compounding offers curated reflections on life and learning for all investors investment enthusiasts and readers seeking a dose of practical wisdom this revised and updated edition highlights baid's distinctive voice

offering a fresh take on the purpose of social studies today james a duplass positions philosophical counseling as a way for teachers to engage students in thinking deeply about what it means to be a citizen

in a democratic society the idea of a social studies education takes a uniquely humanistic approach to the idea of a social studies education to show how teachers can act as philosophical counselors in preparing students for active civic engagement duplass reminds the reader of the needs of students in modern society who seek to develop an identity worth living and the role social studies can play in students achieving that process by focusing on the cultivation of students autonomy authenticity efficacy and agency duplass approach avoids political biases and instead encourages critical thinking to decipher what a democratic ideology truly is

the key to understanding company growth and decline from the undisputed expert on valuation throughout his storied career aswath damodaran has searched for the universal key to demystify corporate finance and valuation now at last he offers the groundbreaking answer to readers everywhere it turns out there is a corporate lifecycle very much like our own with unique stages of growth and decline and just as we must learn to act our age so too must companies by better understanding how corporations age and the characteristics of each stage of their lifecycle we can unlock the secrets behind any businesses behavior and optimize our management and investment decisions accordingly in aswath damodaran s the corporate life cycle readers will learn what markers tell where a company falls on its corporate lifecycle and crucial insights for managers as they navigate the different stages why the shape and timing of life cycles varies across different industries when transition points pose special challenges to companies and strategies to conquer them how differences in investment philosophies in particular the divide between growth and value investing should lead investors towards companies at different lifecycle stages as the corporate lifecycle touches virtually every aspect of business this book is for anyone with skin in the corporate finance game from managers to investors from novices to seasoned pros aswath damodaran s the corporate life cycle is the definitive guide to understanding businesses growth behavior and value

this all inclusive a z encyclopedia by one of the world s foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on the work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes author jay robert nash has viewed every single one of them as well as many more that did not make the cut in addition to a precis each film s entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children unlike the industry rating system which can be influenced by studio lobbying nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable backmatter includes a list of top films by genre i e animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death rounding out this essential volume for the film buff are over 500 still photos from the author s private collection

the period between the world wars the era of sexual liberation prohibition the rise of organized crime and the great depression was also the classic era of american pulp magazines the subject of this fascinating volume pulps with their lurid color covers depicting the thrills of sex and violence and with stories to match inside fuelled america s dreams and nightmares for a few cents they offered everything young men wanted sex action adventure but they also fostered the talents of some of the greatest popular writers of the century arthur c clarke isaac asimov raymond chandler james m cain and dashiell hammett among others and virtually invented the genres of science fiction and hard

boiled crime from the cheap thrills of the hot and spicy pulps and the sexual sadism of the shudder pulps to the weird worlds of the fantasy sci fi and horror pulps this book displays their art and tells their history capturing the original magazines in all their sleazy sensational glory
